Product Description

Riedel Syrah Shiraz Vinum Buy 3 get 4

The wines made from the Shiraz grape variety give a deep purple, almost inky colour. The nose resembles intense, rich blackberry aromas. The flavours on the palate show mouth-filling fruit, massive structure and a long sweet finish. This machine-blown, lead crystal glass highlights the tannins, offering a perfect balance with the overwhelmingly concentrated fruit. This shape was developed between 1993 and 1995 following tastings in the major Syrah growing regions.
