Product Description

Kai Shun Sora Pairing Knife

The Kai Shun Sora Pairing Knife is part of the Shun Sora range that provides exceptional handcrafted Shun quality at an amazing price.

Pairing and chopping is a dream with this Sora pairing knife.

Features:]

9 cm blade

- Made with a traditional handle design in easy to care for textured TPE polymer

Sora knives feature a VG10 cutting core with stainless steel on either side, creating a San Mai edge that provides stain resistance

Blades have a mirror-polished Japanese 420J blade upper and a 16-degree cutting edge on either side

- Damask Steel finish - Packaged and a cardboard gift box

Hand wash only

Made in Japan

Good advice

To maintain the sharp edge - Never store your knives in your drawer with other utilities. Store with a sheath, or in its storage box. **DO NOT** wash knives in the dishwasher.
